

Queens Lake Pool 2011

Swim Lessons for Members and Non-Members

Queens Lake Pool

Please come join us! Queens Lake Pool is inviting any and all interested outside non-members to join our regular members to participate in our Group Swim Lesson Program this summer. We are proud to offer our successful swim lesson program for the fifth year for all ages and levels of swimmers (including adults). Small Group lessons (ideally 4 or less) will be conducted by two or more, locally well known, professionally highly skilled, and experienced adult instructors along with experienced, trained lifeguard instructors. We recognize that living in this area surrounded by water should encourage all family members to learn how to swim and enjoy the water safely. Many of our best swim lesson students have moved on to immediately add to the accomplishments of our ever improving swim team. Our successful Queens Lake Eagles swim team now features many of the area's top competitive swimmers and provides a wonderful summer activity for aspiring swimmers.

Our beautiful two pool complex is located in nearby Queens Lake community in Williamsburg overlooking scenic Queens Creek. Our complex is staffed by many returning friendly and experienced certified Red Cross Lifeguards and run by our experienced professional certified Pool Operator (30 years). Our goal is to provide a family based summer pool oriented towards patron safety, sanitation and family fun.

Our pool complex features desirable amenities including a family pool with a zero level entry and diving area, an adult pool, private changing rooms, hot showers, a snack shack and an early morning swim and aerobics program (depending on demand). We invite you to visit and hopefully join the "best kept secret" on the Peninsula! If you decide to join our pool and become a family member you and your family will then be able to enjoy savings on swim lessons and the opportunity to enjoy the many social activities and benefits of our pools which are opened every day from Memorial Day to Labor Day. Please call the office for details. We hope you will join us!
