The official newsletter of Queens Lake Community Association

Making living better for residents since 1952 by offering Boat Dockage, Ramp, Swimming, Tennis, Clubhouse, Queens Lake, Princess Pond & Queen Creek

April/May 2016

## Hello Neighbors!

This issue of the newsletter is for all residents of the neighborhood, not just members of QLCA. This special issue is made so folks that are not members can become aware of what we, as members, are enjoying and what makes our community so special. You'll find this issue loaded with details from the committee chairs sharing how they have been volunteering to make this a better community. You too can feel a sense of pride by joining QLCA and volunteering to help with one of these committees. We want you and need your support.

Queens Lake neighborhood is a hidden gem. Our community has many of the amenities of the gated communities, but at a fraction of the cost and with a hometown feel. We have been left a wonderful legacy by those who established this community and many of these traditions cannot be found in a newly created neighborhood. Our job is to protect this legacy by sustaining and reinvigorating the community. We do this by actively participating and by volunteering our time while building relationships and investing in our future. A healthy active association ensures that the legacy continues. Becoming a member of QLCA is the first step. Deeding your property shows your commitment to this community and helps to make Queens Lake a highly desirable neighborhood to buy into. Membership fees help to maintain and improve our assets as well as allow for numerous sanctioned events throughout the year.

## Some exciting upcoming social events are:

Fun Friday April 15th

Ladies Night April 22nd

Membership Social set for June 4<sup>th</sup>. All are welcome at no cost to you. Hosted by the membership committee. Come out, have fun and meet your neighbors!

Queens Lake Day...June 25<sup>th</sup>. QLCA members and Pool members welcome.

Seafood Fest...Fall 2016. A well known and fantastic member event.

Whether you are a world traveler, military, retired, or young family establishing roots, Queens Lake is where you call home. Where everybody knows your name.....

Cheers,

Suzanne Maggio, Membership Director

# PRUNING CLINIC

# February Snow

In the spring of 2003, I started my company (formerly known as Micah's Clippings) right here in Queens Lake. Last year, I rebranded our company as Easton Outdoors. The intent of this name change was to better reflect the full line of services we have developed and been pleased offer over the last 13 years.

We are incredibly grateful to the residents of Queens Lake for all the many years you have trusted us with the maintenance of the association's property, and also for choosing us for the care of your individual homes.

We hope to continue to service and meet the growing needs of Queens Lake residents for many years to come. Please keep us in mind for any and all of your outdoor needs.

# FUN FRIDAY

# Soup Social

## Community Affairs

Submitted by Tom Rooks: Director

Based on response from the last QLCA Board meeting, we are pursuing a simple opening of access for foot traffic at the end of East Queens Drive so that pedestrian traffic can get to the Parkway instead of needing to transit Lakeshead Drive.

February 25<sup>th</sup> – Attended the York County HOA meeting. The meeting focused on storm water management. The county outlined their role in managing storm water. They also clarified that if the storm water involves public roads, it is a VDOT, not York County issue. Also, if the county doesn't own land adjacent to retention ponds, they have a very limited role.

The county also talked generally about various topics. The overall tax base for our county went up approximately 1.5%, which combined with the delayed closure of a power plant resulted in the county administrator submitting a budget that didn't require previously anticipated cuts in county services.

The county also explained their role in mosquito management. They have been planning for the upcoming season, including reducing risk from the Zika virus.

**Tom** would like to get a committee together to discuss and keep track of the widening of 64.

**Committee members:** Ashley Hargrove, Ward Bourn, Mike Indovina, and Ralph Wilson

## CLUBHOUSE

Submitted by Emily Edmonds: Director

The Clubhouse had a busy February with 4 very successful events... The Ladies Luncheon, Soup Social, and our very first Red Carpet Oscar Party as well as Fun Friday. Bryan Edmonds has been to the task of getting WiFi installed in the Clubhouse and it should be up and running by the end of the month.

**A special thank you** to Heather Walters for creating all the Clubhouse flyers, to Cherrie Begley for cleaning the Clubhouse Carpets, Ann Brown-Hailey for lending us the movie star cut outs for Red Carpet Night, to Jan Snook and Joan Swanson for organizing the Ladies Luncheon, and Stephanie Moser for taking the lead on the Red Carpet Party. Also, we are grateful to Bryan Edmonds and Vic Maggio for their handyman services.

**Grill:** We now have a grill that may be rented during your Clubhouse rental.

**Alarm System:** We will be changing the time the alarm is automatically set and the code.

**Committee Members:** Joan Swanson, Jan Snook, Judy Angles, Ann Brown-Hailey, Susan Adams, Heather Walters, Lana Olson, Stephanie Moser, Suzanne Maggio, Elise French, Cherrie Begley

## Communications

Submitted by Leah Duckworth: Director

**Website:** Year old items have been removed from the Bulletin Board. Claudia Smith is researching Paypal to see if we can use it for paying fees on the Website. New forms and rules have been updated, and new photos added. Kate Roessler will put 3 calendar months on the web and Leah will update the calendars with socials and activities.

**Newsletter:** Cherrie completed the Feb/March newsletter labeled and delivered it to the post office. 14 advertisers have committed and paid for a year. There are 3 ads that pay each time the newsletter is issued, and as again this year, as has been for the past 10 years our ads pay for the newsletter and also make money.

**Committee Members:** Jean Lien, Phil Lien, Cherrie Begley, Randy Begley, Kate Roessler, Joan Swanson, Mary McGovern, & Claudia Smith

## Membership

Suzanne Maggio: Director

The membership committee is hard at work welcoming new neighbors to the community. Another dues notice will be out before March 31. The committee will be proactive and is planning to contact folks directly to promote membership long before July 1 deadline when they are no longer in good standing. We want to have open communication with folks before it gets too late in the year.

Kate Helwig has secured some great items from York County for the gift bags to pair with some local business flyers and paraphernalia. We are also working on a Queens Lake "Welcome to the neighborhood" post card that has a printed welcome message for all new neighbors. We are hoping to get more of the personalized QL wine glasses for new member gifts and may be able to get them to sell to other neighbors at QL day or another neighborhood event.

**The membership social** is set for sat June 4th and planning is underway. We will personally invite all new neighbors to this event with a written/mailed invite and follow up phone call. We are encouraging all new neighbors to attend a social event and get to know some neighbors. Committee members will then follow up to encourage membership. To that end, the membership is working alongside Clubhouse and plans to have a check in process at the upcoming clubhouse events so we can track attendees. It is good data collection point and also a chance to encourage membership.

**Committee Members:** Kate Helwig, Stacy Harris, Leah Duckworth, Gale Gutierrez and Lisa Legaspi

**Look below and see if any of our new members are your neighbors, please welcome them to the community.**

## Queens Lake Day

## Lake

Submitted by Lynn Maltinsky: Director

**Lake Management** On 2-23-2016 Clarke performed the first of 8 maintenance checks of Queens Lake and Princess Pond for 2016. There will be one visit the 1<sup>st</sup> and 4<sup>th</sup> quarter and then monthly starting April to September. During each visit water samples are taken from both the lake and pond, aerators are checked and serviced, and physical conditions of the water bodies are recorded.

**Pond Weed** Also on Feb. 23 water samples were gathered and sent to a lab to measure the residual amounts of the TradeWind Herbicide. The results of the tests show that the original 30 PPB from the Dec. 10<sup>th</sup> application now ranges 4 PPB at the upper end of the lake to just under 6 PPB at the bottom of the lake. The goal was to have levels above 5PPB. Even though Pondweed is hardly visible from docks or the shore, viable pieces of the plant still exist in the deeper water and for that reason a small bump treatment is scheduled soon. This bump treatment will kill the remaining pond weed and prevent it from maturing and reproducing.

**Holcomb Boat Access** Plans are being finalized and material cost estimates gathered to upgrade the boat access. When complete this access will have a new path, brush cleared from the dock allowing full access and additional boat racks constructed. We plan to start work in April.

**Princess Pond** Weeds and brush need to be cleared from the dam bank and at the water's edge. The spillway on the Will Scarlett side of the dam also needs to be cleared and be made workable so that the pond doesn't top over the dam during large storms. Additional boat racks are also in the works.

**Main Dam** Several erosion issues have been identified on the dam under the guardrail near the spillway. VDOT is being contacted to correct the problem.

### **2016 Boat Stickers**

**All registered boats need to display the RED 2016 decal.**

**The lake committee will do a compliance check starting in April.**

**Committee Members:** Rick Toth, Richard McCluney, Bruce Kenner, Ralph Wilson & Craig Marcuson.

**Access Path Volunteers:** Gerry Mauer, Judy McCormack, Lynn Maltinsky, Anne Rose, Sue Roberts, Jeff McKinney, & Whit Richardson.

To participate on the QL swim team, your family must have a paid family membership for the QL pools. For the team to run effectively, **someone from your family is required to volunteer during the meet for each swim meet** your child attends. Requiring all families to participate helps insure that you will only have to work one-half of each meet. We will be using [volunteerspot.com](http://volunteerspot.com) to coordinate each event this summer. Please provide all e-mail address of those who will be responsible for your volunteer commitment.
